IIPA SILVER JUBILEE SERIES

In commemoration of its Silver Jubilee, IIPA has initiated a scheme to bring out a series, in separate volumes, of selected articles spanning 25 years of IIPA. Each volume is complete by itself and takes up a chosen theme. The featured articles are selected to cover the major developments in administration in the accepted theme.

Each volume is introduced by a top academic who not only links the articles but traces the developments, so as to give, in brief, all one wishes to know about the subject dealt with in the volume. The selection of articles and their presentation are by the Series Editor, Shri T.N. Chaturvedi, who, in turn, prefaces his observations by stressing the importance of the topic as part of administration.
